hope.connectsSCkids.org

Whatever your child is struggling with - academic pressures, social issues, feeling stressed or anxious - it is easy to get overwhelmed without an idea of where to turn for support. We understand the importance of supporting your child's mental health and well-being so we made getting support as easy as...click, connect, chat.

CLICK

Go to hope.connectsSCkids.org to get started, or scan the QR code below.

CONNECT

Take a Questionnaire on behalf of your child and receive feedback and support from a program counselor.

CHAT

Exchange messages and learn about available resources and services.

The Department of Behavioral Health and Developmental Disabilities partnered with the American Foundation for Suicide Prevention (AFSP) to provide the Interactive Screening Program - a safe and easy service that allows parents and guardians to anonymously take a Self-Check Questionnaire on behalf of their child and connect with a professional counselor in the State of South Carolina who can provide guidance, support, and resources to help connect you with mental health and addiction services for your child.
